Lowering Aid for Cremated Remains, Urns, Ashes Caskets Round or Square.

Bio-degradable made from natural material.

**LOWER WITH CONFIDENCE.
DIGNIFIED - SAFE
SIMPLE AND AFFORDABLE.**

Professionally designed lowering aid which will allow the lowering of cremated remains in a safe and dignified manner.

No longer do bereaved relatives or funeral directors have to kneel on the floor to leave the cremated remains casket or pass them to a grave digger in the grave to place them.

Our cemetery approved and designed ashes and cremated remains lowering pads are universal.
