COFFIN-LESS-SHROUDS FOR 'EVERYBODY'

## Signature Throws and Palls

A brand new item for all coffins and shrouds.

Ideal keepsakes for the families "this will be THE Last thing close to their loved one"

You can either lay these over the deceased coffin / casket / shroud and remove just before committal, then the family can take them on to the wake and have all the mourners sign it and leave farewell messages.

With coffins we get the mourners to sign directly on to them whilst on the coffin!

Vibrant Technicolor and very colourful
